# Foster Wheeler's role

# Oil SPMO - subcontracts

- Small, generally services subcontracts to support the Foster Wheeler team
- Typical areas are:
  - personnel logistics
  - specialist oil industry software
  - translators
  - engineering personnel – Iraqi nationals
  - plant integrity & assessment survey teams
  - specialist oil industry technologists
- Construction subcontracts, materials & equipment supply subcontracts will NOT be let by FW (refer to Design & Build contractors)
